ARTESIA BANK DOUBLES CAPITAL

Bridge to Be Built Across River Opening Road to the Plains.

Artesia, N. M., Jan. 15.—The First National Bank held a meeting of the stockholders and all the old directors were elected, and they in turn elected the same officers. Dr. C. N. Williams is president, J. E. Robertson cashier and H. G. Gray assistant cashier. The capital of the institution was increased to \$50,000 and the surplus to \$10,000, just double the original amounts in each instance.
The State National Bank elected its same directors with three new ones added. These are J. J. Sullivan, S. S. Ward and Owen McClay. Jno. W. Poe, of Roswell, is president; Jno. B. En-

field, cashier; James J. Sullivan and Albert Blake, assistant cashiers.
W. H. Merchant, tax collector of Eddy county, and E. P. Bujac, chairman of the board of county commissioners, were in Artesia on business. Captain Bujac inspected the site for the new bridge across the Pecos. Capt. Bujac says it is the purpose of the commissioners to push the work rapidly, so the bridge may be completed as early as possible. Men came in last night to begin a work, so Artesia will soon have a road opened up to the towns on the plains.
The women of the Methodist church gave a four course banquet in the building recently vacated by H. H. Henninger.
Bryant Williams went home Christmas and when he returned brought Mrs. Williams, who was Miss Mary Johnson, of Stephenville, Texas, with him. He will erect a handsome residence in Artesia at once as they expect to make their home here.
A trade was closed this week where-

by Talbot & Lowry became proprietors of the electric light plant and W. E. Bass, its former owner, will take charge of the mercantile stock of the Lowry-Loomis company.
A music club was organized at Western college this week, composed of the best musicians of the town. Mrs. M. A. Corbin was elected president, Miss Francis, of the college faculty, first vice president, Miss Lora Williams recording secretary, and Mrs. Ed Phillips corresponding secretary. The club will be known as the McDowell club and will make an effort to have some of the good artists visit Artesia.
CALIFORNIA MAN TO OCCUPY BAPTIST PULPIT.
Rev. J. N. Field, D. D., president of Redlands university, at Redlands, Cal., who occupied pulpits at Fort Wayne, Ind., and Buffalo, N. Y., and elsewhere before engaging with the university, will preach Sunday, both morning and evening, in the First Baptist church. He will also speak at the men's meet-

ing at the Y. M. C. A. at 3:30 in the afternoon on "Problems—There Is but one—the Problem of Life."
BIG SUIT ON AT TORREON, MEXICO.
Supreme Court of the Nation to Make a Visit There Again Soon.
Torreon, Mex., Jan. 15.—The magistrates of the supreme court of Mexico in charge of the case brought against the Mexican government by the Tihuallio Ranch company are expected to make another visit to Torreon next week.
The Tihuallio company owns one of the largest cotton ranches of the Laguna district. A large amount of English and American capital is invested in it and suit was brought against the Mexican government for damages

to crops on account of new regulations which deprived the company of water rights during a certain period in 1908. The suit involves several million dollars.
TORREON TO ASPHALT ITS BUSINESS STREETS.
Torreon, Mex., Jan. 15.—The city of Torreon proposes to raise \$500,000 for the purpose of asphaltting all of the streets and avenues. It is proposed to issue bonds guaranteed by the state for \$500,000 with which to carry on this important work or the contract will be let to a strong company who will do the pavements and accept payments on a stipulated time of several years. In either sense Torreon is assured of nicely paved streets. Numerous other improvements are being planned by the city authorities.
Less we forget, let's keep our money at home and still get the best, Globe Flour.

AIDS WIFE; HOLDS HUSBAND IN JAIL

Justice Helps Starving Family of Man He Holds on Burglary Charge.

While Judge McClintock was in the act of trying Isaac Acosta on a burglary charge yesterday afternoon, the prisoner's wife entered with her two little children, one a boy of 4 years and the other a girl of 2 years old. She said that she and the children had eaten nothing that day so the justice and Henry Hineckley, the deputy constable, made up a purse to enable them to secure food.
Acosta, who was charged with burglarizing the jewelry store of Harry Cohn on South El Paso street, October 8, 1909, was bound over to the grand jury in the sum of \$250.

HELD ON TOUCH CHARGE; DENIES THAT HE IS GUILTY

Jack Riley, charged with relieving J. A. Gassert, a private of Company C, 19th infantry, of \$2, was yesterday, bound over to the grand jury by Justice Watson in the sum of \$500 in default of which he went to the county jail.
Gassert stated that he was in the rear of the Legal Tender saloon on Overland street with a number of strangers and had just borrowed \$2. He stated that Riley brushed up against him and helped himself to the money. Riley denies the charge.
DROVE ON WRONG SIDE OF STREET AND IS ARRESTED
Because he does not know the difference between the left and right side of the street, J. M. Flores was fined \$3 in the police court Friday evening. Policeman Caplinger, standing at the intersection of San Antonio and Oregon streets, called the man's attention to the violation of the law but he paid no attention and was arrested.
